Compared to last week: Stockyards closed Monday for the Memorial Day Holiday. Feeder cattle and calves not well tested but firm under tone noted on limited numbers of feeder cattle. Rains continue to fall across the state however these are not statewide showers. Estimating about 100 head of cows and bulls to sell at the end of the feeder sale. Expecting a large run of feeder cattle for next week's sale. Supply consisted of 70 percent over 600 lbs; and 58 percent heifers.
